

# MIDA SAN 327 BF

Biofilm removing disinfectant

## DESCRIPTION & APPLICATION

**MIDA SAN 327 BF** is a foaming disinfectant with biofilm removal properties for application in the food industry.

**MIDA SAN 327 BF** contains a synergic combination of components that detach and degrade microbial biofilms found on food processing surfaces. **MIDA SAN 327 BF** has a strong biocidal action and can be also employed as a terminal disinfectant.

## USE INSTRUCTIONS

**MIDA SAN 327 BF** is used as at concentrations between 0,5 and 3% (v/v). The product should be applied on previously cleaned surfaces to remove coarse dirt.

Rinse all surfaces thoroughly after use and ensure that no residues of the disinfectant remain before resuming food production.

## PRODUCT CHARACTERISTICS

Main ingredients	Benzalkonium chloride, hydrogen peroxide, anionic surfactants
Visual aspect	Clear liquid
Colour	Light yellow
Odour	Characteristic of the product
pH (100%)	± 8
Density (20°C)	± 1,03 kg/L
Solubility	Miscible in water in all proportions

The values shown in the table do not constitute technical specifications

## **MATERIAL COMPATIBILITY**

When used according to the recommended instructions, **MIDA SAN 327 BF** can be used on materials commonly used in the food industry.

In case of uncertainty we recommend to evaluate individual materials before any prolonged use

## **ENVIRONMENT**

**MIDA SAN 327 BF** is classified as dangerous to the environment

**MIDA SAN 327 BF** complies with the European Union Directive EU648/2004.

## **SAFETY**

**MIDA SAN 327 BF** is classified as corrosive and harmful.

Hazard classification (CLP):      H302 – Harmful if swallowed  
   H318 – Causes serious eye damage  
   H410 – Very toxic to aquatic life with long-lasting effects

Please consult the MSDS and follow the precautions for handling and use

## **STORAGE**

Store the product sealed in its original packaging between 5 and 35°C and prevent any leakage of product. Do not expose to sunlight.

More detailed recommendations are available in the Safety section 7

## **PACKAGING**

**MIDA SAN 327 BF** can be available in CANS.
