FLOOR

Neutral liquid detergent for cleaning of floors
in the professional hygiene and food industry

DESCRIPTION & APPLICATION

FLOOR is a universal non-foaming liquid alcohol based detergent suitable for highly effective cleaning of floors dirty & ordinary and tarnished dirt.

FLOOR degreases and cleans very well all types of floors as ceramic tile, marble and granite including linoleum floors treated with wax. Product after cleaning leaves the space with pleasant odour.

USE INSTRUCTIONS

FLOOR is recommended for manual cleaning using ordinary mops with dosing of 20-50 grams to 1 liter of water. After application of product is usually not recommended rinsing with water.

FLOOR can also be used in floor cleaning machines, in which the dose is adjusted according to the recommendation of the equipment manufacturer and the type and degree of contamination of the floor. In the case of highly conaminated floors the product **FLOOR** can be used in undiluted form directly on the surface.

PRODUCT CHARACTERISTICS

Composition	Contains mixture of alcohols, EDTA, surfactants, stabilisator.
Appearance	Clear liquid
Colour	Blue
Odour	Characteristic of the product
pH (1%)	± 10,0
Density	± 0,99 g/cm^3 (20°C)
Solubility	Miscible in water in all proportions

MATERIAL COMPACTIBILITY

When **FLOOR** is used according to the recommended use instructions, then **FLOOR** can be used on materials commonly used in the food industry.

ENVIRONMENT

FLOOR does not contain any chlorine and hence there is no risk of the formation of organic adsorbable halogens (AOX).

The surfactants of **FLOOR** comply with the European Union Directive EU648/2004 on the biodegradability of surfactants.

SAFETY

Never mix **FLOOR** with other products. Carefully read the material safety data sheet of **FLOOR** and follow the chemical handling and disposal guidance.

STORAGE

Store **FLOOR** in its original packaging between 5°C and 25°C. Do not expose to direct sunlight. The expiry date is 24 months from date of manufacture.

PACKAGING

FLOOR can be available in CAN.
