

# MIDA ICE CLEANER

Powerful ready-to-use detergent  
for freezer rooms in the food industry

## DESCRIPTION & APPLICATION

**MIDA ICE CLEANER** is a ready-to-use foaming liquid detergent for use in freezer rooms without the need to defrost. **MIDA ICE CLEANER** can be used for cleaning all surfaces such as floors, walls and doors.

**MIDA ICE CLEANER** contains a synergistic combination of anionic and nonionic surfactants in addition to solvent allowing effective removal of frozen organic soils. **MIDA ICE CLEANER** removes soils effectively down to temperatures of -25°C.

## USE INSTRUCTIONS

**MIDA ICE CLEANER** can be used without the need to defrost the freezer room. **MIDA ICE CLEANER** does not require to use in dilution. Apply in spray form the product **MIDA ICE CLEANER** directly onto the cold soiled surface and manually brush or use a single brush machine equipped with a hard nylon scrubbing brush. Remove the dirt and remaining liquid with a mop or use a water vacuum cleaner.

## PRODUCT CHARACTERISTICS

Composition	Contains anionic and nonionic surfactants, solvent.
Appearance	Clear liquid
Colour	Colourless
Odour	Characteristic of the product
pH (100%)	± 8,6
Density	± 1,03 g/cm <sup>3</sup> (20°C)
Solubility	Miscible in water in all proportions

## MATERIAL COMPACTIBILITY

When **MIDA ICE CLEANER** is used according to the recommended use instructions, then **MIDA ICE CLEANER** can be used on materials commonly used in the food industry.

## ENVIRONMENT

**MIDA ICE CLEANER** does not contain any chlorine and hence there is no risk of the formation of organic adsorbable halogens (AOX).

The surfactants of **MIDA ICE CLEANER** comply with the European Union Directive EU648/2004 on the biodegradability of surfactants.

## SAFETY

Never mix **MIDA ICE CLEANER** with other products. Carefully read the material safety data sheet of **MIDA ICE CLEANER** and follow the chemical handling and disposal guidance.

## STORAGE

Store **MIDA ICE CLEANER** in its original packaging between 5°C and 30°C. Do not expose to direct sunlight. The expiry date is 24 months from date of manufacture.

## PACKAGING

**MIDA ICE CLEANER** can be available in CAN.
