

# MIDA SAN 310 ALCO

Liquid alcohol based disinfectant  
for the food industry and institutional hygiene

## DESCRIPTION & APPLICATION

**MIDA SAN 310 ALCO** is a non-foaming, ready-to-use sanitizer for intermittent and terminal hygienic treatments in the food and beverage industry and other sectors of industry and services.

**MIDA SAN 310 ALCO** rapidly evaporates after its hygienic action and does not leave any residues.

**MIDA SAN 310 ALCO** is therefore particularly suitable for use on wide range of surfaces such as chopping boards, water sensitive installations, conveyor systems.

**MIDA SAN 310 ALCO** is very suitable for use on delicate surfaces which are sensitive to corrosion.

## USE INSTRUCTIONS

**MIDA SAN 310 ALCO** is used as a ready-to-use sanitizer, apply and let dry. Avoid aerosol formation, application in the vicinity of unprotected electrical equipment or use on hot surfaces.

**MIDA SAN 310 ALCO** is used after basic cleaning only for rapid disinfection of equipment (cutting equipment, slicing, wrapping and filling machines and other equipment, machines, tools and instruments) after a predetermined production cycle, including between individual phases of production. The product are not rinsed after use!

## PRODUCT CHARACTERISTICS

Composition	Contains ethanol, propan-2-ol, stabilizer
Appearance	Clear liquid
Colour	Colourless
Odour	Characteristic of the product
pH (1%)	± 3,5
Density	± 0,86 g/cm <sup>3</sup> (20°C)
Solubility	Miscible in water in all proportions

### **MATERIAL COMPACTIBILITY**

When **MIDA SAN 310 ALCO** is used according to the recommended use instructions, then **MIDA SAN 310 ALCO** can be used on materials commonly used in the food industry.

### **ENVIRONMENT**

**MIDA SAN 310 ALCO** does not contain any chlorine and hence there is no risk of the formation of organic adsorbable halogens (AOX).

The surfactants of **MIDA SAN 310 ALCO** comply with the European Union Directive EU648/2004 on the biodegradability of surfactants.

### **SAFETY**

Never mix **MIDA SAN 310 ALCO** with other products. Carefully read the material safety data sheet of **MIDA SAN 310 ALCO** and follow the chemical handling and disposal guidance.

### **STORAGE**

Store **MIDA SAN 310 ALCO** in its original packaging between 5°C and 25°C. Do not expose to direct sunlight. The expiry date is 12 months from date of manufacture.

### **PACKAGING**

**MIDA SAN 310 ALCO** can be available in CAN.

*Biocides reliably use. Before use always read marking and product information!*
